Re: Notice dated May 9, 2007

Dear Mr. Jones:

This letter is in response to the attached notice dated May 9, 2007, which references excess contributions made by our PAC to candidate committees in the 3rd quarter of 2006. After researching the referenced contributions and reviewing all contributions made from our inception date it does appear that there were contributions made in excess of federal limits. Unfortunately, we were unaware of the reduced contribution limits for non-multicandidate PACs and made the contributions assuming we were in compliance with the higher limits of a multicandidate PAC.

To correct the matter we have attempted to speak with and sent letters to the Treasurer of each of the respective campaign committees to request an immediate refund of the excess contributions. I have attached copies of each of the letters sent to the committees.

We truly apologize for this oversight and will be diligent to avoid repeating this error in the future. If you have any questions or need additional information, please do not hesitate to contact me at (415) 893-1518 x235.

Very truly yours,

Jon R. Alsterlind

**Response Due Date:
June 11, 2007**

Identification Number: C00403998

Reference: October Quarterly Report (7/1/06-9/30/06)

Dear Mr. Asterlind:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) prohibits a non-multicandidate political committee and its affiliates, from making a contribution to a candidate for federal office in excess of \$2,100 per election. Please refer to the Campaign Guide for information on how a committee qualifies for multicandidate status.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If any contribution you made exceeds the limits, you must request a refund of the excessive amount or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund of the excessive amount.

27039451221

If your committee has met the criteria for multicandidate status, please file FEC FORM 1M "Notification of Multicandidate Status" with the Commission. The treasurer must file FEC FORM 1M no later than ten (10) calendar days after qualifying for multicandidate committee status. 11 CFR §102.2(a)(3)

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.

Sincerely,

Re: Contribution to Hoyer for Congress

It has recently come to our attention that the contribution we made on 9/11/2006 to Hoyer for Congress in the amount of \$2,500 was in excess of the amount federal law permits. In 2006, federal law limited the amount a non-multicandidate committee may contribute to a federal candidate's campaign to \$2,100 per election.

Though we may qualify as a multicandidate committee in the near future, we are asking for a refund of \$400, the amount above the federal limit. We have enclosed a copy of the check for your reference.

Please forward the refund to:
