Dear Mr. Cohen:

We received a letter today dated June 3, 1994 from John D. Gibson stating that we have until June 18, 1994 to respond to the May 11 notice regarding our 1993 year ending reports. As I related to you in a phone conversation on June 1, we had just received the May 11 notice and would begin recompiling the 1993 information as soon as possible. Last week (ending 6/11) was our end-of-period and so we were not able to devote attention to restating the 1993 PAC reports. We are working on this issue right now and will be able to send a response within a very few days. Of course, the reports contain a significant amount of detail, which we are recompiling.

We appreciate your patience and help in working with us. You have been an excellent source of information and assistance as we wade through the FEC requirements.

Please contact me at 901-325-4606 if you need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Cathy Meyer". The signature is fluid and cursive, with a large initial "C" and "M".
