Reference: July Monthly Report (06/01/2014 – 06/30/2014)

To Whom It May Concern:

The Independent Expenditure memos listed in Schedule E of the above referenced report are not billable expenses that should be added to Schedule D debts. Creative Response Concepts and TPPCF Staff both receive regular monthly payments for PAC services. The memos listed on this report to those vendors are all allocations of their retainers for services that contributed directly to Independent Expenditures. As these services are included in their regular retainer, and reported accordingly on Line 21b, we reported the portion that was spent contributing towards independent expenditures as memos on Schedule E in order to properly disclose this activity.

Should you have any further questions, please feel free to contact us at (706) 534-7780.

Sincerely,

Paul Kilgore, Treasurer
