Dear Mr. Loeb:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your July Quarterly Report discloses earmarked contributions totaling \$9,300 and Schedule A of your October Quarterly Report discloses earmarked contributions totaling \$10,900, with no corresponding entries on Schedule B. Pursuant to 11 CFR §110.6(c)(1)(v), all earmarked contributions that have passed through a conduit's account must be itemized on the receipt (Schedule A) and disbursement (Schedule B) schedules, regardless of amount. All earmarked contributions that have been forwarded in the form of the contributor's check or written instrument must be itemized as memo entries on the receipt (Schedule A) and disbursement (Schedule B) schedules, regardless of the amount.

Furthermore, as a conduit or intermediary for an authorized committee, your committee must forward any earmarked contribution, along with a transmittal report, no later than ten (10) days after receiving the earmarked contribution. 11 CFR §§102.8(a) and (c) and 110.6(c)(1)(iii) Please amend your report to clarify these discrepancies.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions

to federal candidates and committees should be properly disclosed on a separate Schedule B, supporting Line 23 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1301.
