Re: Identification Number: C00399063  
July Monthly Report (6/1/05-6/30/05)

Dear Ms. Zehr:

In response to your letter dated March 22, 2006, we have taken corrective action. We requested and have received a \$2,900 refund on April 12, 2006, from the Committee where we exceeded the limits for a non-multicandidate political committee. The corrective action will be reflected in our next monthly FEC electronic filing.

We apologize for the error. We were not aware of the non-multicandidate political committee limits and assure you we will not repeat this mistake in the future.

Sincerely,

Erskine E. Cade  
PAC Treasurer
