Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule C of your report discloses a \$63,700 loan owed to Starion Financial for which you have disclosed the date incurred to be 7/28/04 and the date due to be 7/28/09. Your previous filing, however, disclosed that this loan was incurred on 7/29/04 and is due on 7/29/08. Additionally you have disclosed the interest rate to be 5%; however your previous filing disclosed the interest rate as 8.25%. Please be advised that if the loan to Starion Financial was restructured, a Schedule C-1 and a hard copy of the loan agreement must be filed to disclose the current terms. Please amend your report to clarify this discrepancy.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather
