Dear FEC,

This Misc Filing is in response to a letter received by the FEC in a Request for Additional Information about our October Monthly Report (09/01/2012 - 09/30/2012)- http://images.nictusa.com/cgi-bin/fecimg/?_13330023940%200.

After discussing the details of the request with FEC Campaign Finance Analyst Kevin Fortkiewicz, we believe that we have addressed both items as detailed in the letter.

Regarding item 1, the reported line 23 disbursement date for earmarked donations to Romney Victory, Inc and Menendez for Senate were incorrectly reported as being filed before the corresponding line 11(a) receipts were received. The correct dates have been input for these two disbursements.

Regarding item 2, the state and office were amended to the entry of Menendez for Senate for clarification purposes.

Based on our correspondence with the FEC Campaign Finance Analyst, the changes in our amended October Monthly report, filed 02/19/2013, should address the FEC Request for Additional Information for the specified reporting period.

Sincerely,

Josef Schranz
NORPAC Treasurer
