Reference: 30 Day Post General Report (10/20/2016 – 11/28/2016) Response to FEC Letter dated April 25, 2017.

1. In response to failure to file required 48 hour notices...
We filed 48 hour notices on the 26th of October. The missing notices were all in one batch deposited late on the 26th after filing 48 notices for the day. Subsequently they were not picked up when we ran notices on the 28th of October thus missing the window to report them in the required time period. We followed your recommendation and reviewed our procedures for checking these contributions to ensure this won't happen again.
- 2.Column B figures have been corrected, however Line(s) 6(a), 6(b) and 6(c) will not balance from the previous report because of the overlap in election periods. The disclosed category of financial activity was from list acquisition sales and has been corrected.
- An amended report had been filed addressing the above on July 6, 2017.
