Dear Ms. Rom:

On January 25, 1995 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 2, 1995 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule H3 of your report discloses transfers received from your non-federal account which appear to be excessive for the shared activities of Salute and Mart. Please be advised that transfers for shared activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.5(g)(2) and 106.6(e)(2) Please clarify the nature of these transfers-in from the non-federal account.

The Commission recommends that you immediately transfer the total amount received by your federal account outside the 70-day time period back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
