This is a clarification in reference to the 12 Day Pre General report, original filing number FEC-60079. All expenditures for get out the vote activities undertaken by The Party were generic in nature, and did not directly benefit any candidate, federal or non-federal. Further, all expenditures for the activities of contracted canvass or get out the vote workers were also generic in nature. The duties of these workers was limited to voter registration and generic get out the vote activities, such as informing voters about vote by mail, and assisting voters in finding their polling places. No candidate, federal or non-federal directly benefited from canvass activities. |
