

Response to FEC letter: Reference: 24-Hour Notice of Disbursements/Obligations (09/15/06-09/21/06), dated 09/21/06. Amended the "covering period" date to accomodate payments transferred from a different report. Communications were removed from this report that had public distribution dates not in this reporting period and amended into the proper reports. Amended some amounts to reflect refunds received after original report filed. The communications title identified in the letter were reported with the same distribution date because one payment was a TV Buy and the other payment was TV production of that Buy as listed on original report. Costs for each particular communication are reported based upon the public distribution date and not the payment (disbursement) date.
