Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Please clarify your relationship with "National Alliance of Postal and Federal Employees," which Commission records indicate is your connected organization. For further guidance on the question of connected organizations, please refer to 11 CFR §100.6. You are advised that Line 6 should be used to disclose the name of your connected organization (not the apparent name of your PAC). Please amend your Statement of Organization to clearly identify the official name of your connected organization on Line 6. In addition, be advised that the **entire** name of your connected organization must be included in the name of your political committee.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
