Dear Ms. Deen:

On April 21, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 26, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Please note that you only need to itemize contributions for a single contributor once their aggregate total has reached \$200 for the calendar year. Furthermore, you would itemize any additional contributions made by that individual during the remainder of the calendar year. You do not need to amend your prior Reports to itemize contributions made by that individual that were previously unitemized.

Therefore, the "Calendar Year-to-Date" totals on Lines 11(a)(i) and 11(a)(ii), Column B still appear to be incorrect. You should add the "Calendar Year-to-Date" figure from your prior report to the current "Total This Period" figure from Column A to derive the correct Column B total. For example, Line 11(a)(i), Column B should equal the Column B total from your prior report (\$4,496.50) plus the Column A total from this report (\$2,210.00) for a new "Calendar Year-to-Date" total of \$6,706.50. Please amend this report and any subsequent reports that may be affected by this change.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Donald L. Averett on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,
