RE: Amended 30 Post-General Report (10/16/14 - 11/24/14)

Dear Ms. Mongeon

The Committee is in receipt of your letter dated January 4, 2015 regarding failure to file required 48-Hour notices for two contributions received.

Neither of these omissions were intentional on the part of the Committee. The \$1,000 contribution made by America's First PAC on 10/16/2014 was received by the Committee via bank wire and was not discovered until the monthly bank reconciliation was done in November. At this time the 48-Hour reporting period was closed.

The second contribution received on 10/24/14 from John M Kaneb in the amount of \$5,200 was received online via credit card Friday after the Committee had filed the 48-Hour report for the day. As the Committee monitored incoming contributions over the weekend it was not noticed that this contribution failed to make the Friday report.

If you have any further questions, or the Committee can provide any further information please contact us.

Sincerely

Steve Ralls
Treasurer
