

This Form 99 Miscellaneous Report is being filed in response to the FEC's January 29, 2010 letter to ANLA PAC regarding our 2009 Mid-Year Report.

Specifically, the January 29, 2010 letter from the FEC raised a question regarding the previous Form 99 Miscellaneous Report that accompanied the 2009 amended Mid-Year report. Unfortunately, ANLA-PAC is unable to further substantiate the need for an accounting adjustment due to incomplete data and record keeping prior to January 1, 2005.

To resolve this situation, ANLA-PAC has moved the in-house accounting function from the government relations department to our finance department. Procedures have been established to ensure proper financial management of the committee moving forward, as the account will be professionally managed according to best accounting practices and protocol.
