In reference to the letter dated July 10, 2008 we use the following best efforts to obtain occupation and employer information on all contributors over \$200 in an election cycle. We request the information with the original solicitation, notifying the contributor of the federal law requirement to report the information. If the information is not provided we followup within 30 days with a letter and return envelope requesting the necessary information, without soliciting a contribution and notifying the contributor once again of the federal requirement to report the information. If the information is received we file the necessary amendment.
