Reference: August Monthly Report (7/1/94-7/31/94)

Dear Mr. Huckaby:

On October 19, 1994 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 28, 1994 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule H3 of your report discloses transfers received from your non-federal account which occur outside the permissible transfer period. Please be advised that transfers for shared activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor.

For the August Monthly Report, the transfer occurred on July 8, 1994. Tracing the window back 60 days for all "D" (April activity) and "E" (May activity) events brings us to May 10, 1994. Any disbursements before this date are outside the transfer window. Your amendment did correct the April activity, however, you still need to correct the May activity. Commission review yields \$22,978.44 in disbursements outside the window for "E" events.

The Commission recommends that you immediately transfer the total amount received by your federal account outside the 70-day time period back to your non-federal account.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
