This Form 99 Submission is in response to the Commission's letter dated October 13, 2014, regarding the Committees's July Quarterly Report. The receipt listed on the Commission's letter from Sinner, George B. was disclosed in error. This was not a monetary transaction/loan from the candidate, but is debt to the candidate for un-reimbursed expenses. This report, and others disclosing similar transaction will be amended by the committee to correctly show these types of transactions.

Additional transactions listed by the Commission appear to be contributions that were not disclosed during the 48-hour reporting period. The Committee secured a professional compliance firm subsequent to the Pre-Primary 48-hour reporting period, and put in place internal procedures to effectively account for contributions during the pre-general 48-hour reporting period.
