REFERENCE: 12 DAY PRE-PRIMARY REPORT (04/01 - 05/14/2014)

Dear Ms. Amrhein:

This letter is in response to your letter regarding information needed for several items in the above referenced report.

1. I have been assured that all of the information that was incomplete about any of the entities specified in the first page of the attachments has been entered into the software program NGP that we are using and thus should now be in the amended report. None of these entities are labor organizations or corporations which would be prohibited.
2. All of the information for the partners of the LLC?s that was missing has been added and should now be in the amended report. These LLC?s are regarded as partnerships for income tax purposes.
3. For contributions in excess of \$200, the original report has been amended to include missing information regarding mailing address, occupation, and name of employers. We have called or written to all of the contributors to request the information required.

Thank you so much for your help in this matter. I trust that the information provided will comply with your requests.

Sincerely yours,

Ann McCracken
