

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

RQ-2

April 21, 2006

Mr. Richard C. Ostergren, Treasurer
National Active and Retired Federal
Employees Association Political Action Com
(NARFE-PAC)
606 North Washington Street
Alexandria, VA 22314

**Response Due Date:
May 22, 2006**

Identification Number: C00091561

Reference: April Quarterly Report (1/1/06 – 3/31/06)

Dear Mr. Ostergren:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the 2006 Primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days

of the treasurer's receipt, your committee must obtain a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Schedule B discloses an expenditure(s) for "POSTAGE" and "POSTAGE PERMIT." If a portion or all of these expenditures were for public communications (as defined by 11 CFR §100.26) and voter drive activity (under 11 CFR §106.6(b)(2)(i)) containing express advocacy as defined under 11 CFR §100.22, this would constitute an in-kind contribution or an independent expenditure and should be properly disclosed on a Schedule B or E supporting Line 23 or 24 as appropriate. Public communications and voter drive activity that refer to a clearly identified Federal candidate, but that do not expressly advocate the election or defeat of that candidate should be reported on Schedule B for Line 21(b) of the Detailed Summary Page. Please clarify whether this activity contained express advocacy and amend your report to properly disclose this activity, if necessary.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please
