Reference: September Monthly Report (8/1/06-8/31/06)

Dear Mr. Ward:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions from an organization(s), which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

Please inform the Commission of your corrective action immediately in

writing and provide a photocopy of your check for any transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-Schedule A supporting Line 15 of your report discloses an offset to an operating expenditure(s) totaling \$2,318.02 from "DIRECT MAIL MANAGEMENT"; however, your report(s) does not appear to disclose a disbursement to this entity. Please provide clarifying information regarding this activity and amend your report(s) if necessary.

-Schedule B supporting Line 28(c) discloses a refund of a contribution received from "ZVI GUTTMAN TRUSTEE." However, it appears that this contribution was not previously reported by your committee. Please amend the appropriate report(s) to disclose the original date of the contribution on Schedule A supporting Line 11(a)(i) of the Detailed Summary Page.

-Schedule E of your report discloses a Calendar Year-To-Date Per Election for Office Sought total for the 2006 California District 50 General and 2006 Nevada District 03 General which appear to be incorrect. FEC calculations disclose this amount(s) to be \$21,000.00 and \$1,542.00, respectively. This figure is calculated by aggregating the total amount expended during the calendar year, per election, per office sought. Please amend your report to clarify this discrepancy.

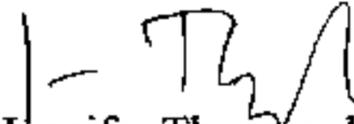

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather

than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1143.
