This committee responds to the FEC Request for Additional Information dated July 11, 2014 with a response due on August 15, 2014 as follows: The amendment to the May Monthly Report of April Activity discloses expenditures that were initially not reported as a result of an inadvertant error in internal tracking of expenses. When the committee examined expenses in preparation for the following month's report, the June Monthly Report of May Activity, the committee recognized this error and immediately amended the prior month's report.
