

RE: YER 7/1/07-12/31/0/

Receipts identified as "PLEA Payroll Deduction" include only those that have contributed less than \$200.00 in the calendar year. Per my conversation with Dan Buckley, I am clarifying this error on itemization. Those that have contributed more than \$200.00 are identified on the report.

I apologize for the confusion and will try to be more accurate on future reports.

Thank you for your patience.
