Amended to carry forward cash on hand totals from the Amended 2014 February Monthly report. Please see Form 99 filed concurrently with this report for further information.

This report includes several instances where conduit contributors provided only partial employer and/or occupation information. Please note that with very rare exceptions all of these conduit contributions are below the 'in excess of \$200' threshold requiring reporting of occupation and employer information for conduit contributors. See 11 CFR 110.6(c)(1)(iv)(A).

Earmarked contributions over \$2600 are allocated as appropriate between respective Primary and General elections by the candidates. Please also note this report shows earmarked contributions to joint fundraising committees, such as Green Senate 2014.

Some earmarked contributions received at the end of this reporting period were disbursed the first week of the following reporting period. Therefore, those earmarked receipts are reported on this report, while the disbursements will appear on the next report.
