Dear Mr. Summers:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 16 of the Detailed Summary Page of your report discloses a total of \$260 in refunds of contributions made to federal candidates and other political action committees. The sum of the entries itemized on Schedule A, however, indicates the total to be \$10. Please amend your report to clarify the discrepancy.

-Line 21(a) of the Detailed Summary Page should only be used to report the federal and non-federal shares of allocable activities. If your committee has only one account, the total operating expenditures (administrative expenses) should be reported on Line 21(b). Please amend your report to confirm the nature of your expenditures and to provide the total on the appropriate line.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on
