Dear Sirs,

This Campaign Committee (C00523951) is ready to be terminated for the Bob Eye for Congress Campaign.

Our audit of the campaign resulted in these 1-24-13 amendments to FEC reports: The report for period ending 6-30-12 was amended to add an omitted \$50 contribution check from Nancy K. Harper, which was received 6-26-12. The report ending 7-18-12 was amended to add an omitted \$100 contribution check from Linda Elwell, which was received 7-8-12. For that same report a \$50 expense was deleted because it was evidently not incurred and the check never cleared. (This expense was previously reported as paid to Kansas Secretary of State by \$50 check #1013 on 7-16-12.) With these amendments, as of the current date the cssh on hand as reported to the FEC has been reconcilled to the checking account balance.

With the final January monthly checking account fee of \$10, the Capital City checking account is reduced to zero.

If you have any questions or directions, please call me. Thank you.

Sincerely, David Prager, III, Treasurer (785-554-6768)
