Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule A supporting Line 15 of your report discloses an offset to an operating expenditure(s) totaling \$19,915.98 from "OCE Financial Services" and "Southwest Publishing"; however, your report(s) does not appear to disclose a disbursement to this entity. Please provide clarifying information regarding this activity and amend your report(s) if necessary.
2. On Schedule H2, you disclose the ratio for "NOVA-Barbour (04/25/2008) " to be new; however, Schedule H2 of your April Monthly Report disclosed a ratio for this activity/event which is different the one given in this report. Please amend your report to clarify this discrepancy.
11 CFR §§104.10 and 104.17

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
