Reference: Mid-Year Report (1/01/99-6/30/99)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B discloses a contribution(s) towards the general election campaign of a Presidential candidate(s). Please note that contributions to Presidential candidates are governed by specific regulations. Please refer to the following explanation of Presidential election financing, and then amend your report to clarify this contribution(s).

All Presidential primary elections held during an election year are considered one election for the purpose of the contribution limits. A multi-candidate committee, therefore may give only \$5,000 to a Presidential candidate's primary campaign, regardless of how many separate state Presidential primaries the candidate participates in. 11 CFR §§110.1(j)(1) and 110.2(i)(1)

In the general election, contributions to Presidential campaigns are not permitted if the candidate receives public funds. (An exception: Political committees may contribute to a publicly funded Presidential nominee's "compliance fund." A compliance fund is used solely for legal and accounting expenses incurred in complying with the election law. Gifts to compliance funds are considered contributions and are subject to usual per-candidate, per-election limits.) 11 CFR §9003.3(a)

GENERAL AVIATION MANUFACTURERS ASSOCIATION POLITICAL ACTION COMMITTEE (GAMAPAC)

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee and its affiliates from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

- ✓ -Please provide the total(s) for Line 11(a)(iii), Columns A and B of the Detailed Summary Page. Note that changes in your figures may affect your Column B totals on this report and/or on subsequent reports.
- ✓ -2 U.S.C. §434(b)(3) requires itemization of contributions from individuals and persons other than political committees, where the aggregate total from the contributor exceeds \$200 in a calendar year. In addition, 11 CFR §104.3(a)(2)(i)(B) requires a committee to report the total amount of unitemized contributions (see Line 11(a)(ii) of the Detailed Summary Page). If a committee wishes to disclose contributions regardless of the amount contributed, the committee must separate (on separate receipt schedules) those contributors requiring itemization from those who are not required to be itemized. 11 CFR §104.3(a)(4)(i) For future filings, please submit your reports in this order.

COMMITTEE (GAMAPAC)

✓ -Please amend Schedule B supporting Line 23 by providing the office sought including state and congressional district, if applicable, for each contribution made. 11 CFR §104.3(b)(3)(ii) and (v)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter.
