Reference: August Monthly Report (7/1/98 -7/31/98)

Dear Ms. Wilkens:

The Pfizer Inc. PAC recently received a letter regarding a contribution to Sue Myrick for Congress made on 7/17/98 and designated for the primary election. The FEC wrote to remind the PAC that primary contributions could not be made after the primary. In fact, we were informed that the date for North Carolina primary election for federal candidates was moved from May 5th until September 15th and thus, that is why this check was designated for the primary election.

If for some reason, the information that we received from the elections board in North Carolina is incorrect and we do need to change the designation on the report, please do not hesitate to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan G. Levin".
