RE: Amended April Monthly Report (03/01/2016 - 03/31/2016)

Dear Mr. Stoetzer:

This letter is in response to your letter dated October 26, 2016 regarding the NRA Political Victory Funds Amended April Monthly Report (03/01/2016 - 03/31/2016) concerning an independent expenditure that was reported as a 48 Hour Memo Schedule E. The second part of your letter addressed the Calendar Year-To-Date per Election totals that are reported on Schedule E for the Senate races in Ohio and North Carolina for both the Primary and General Elections.

We made an independent expenditure and reported that transaction as a Memo Schedule E but did not file a corresponding Schedule D for the payment that was made in the following reporting period. An Amended April Monthly Report has been filed to include the entry on Schedule D to report the outstanding debt to our vendor Federal Capitol Communications Corporation.

The second part of your letter inquired about Calendar Year-To-Date per Election totals. This is due to the 48 Hour Memo Schedule Es that were filed during the April Monthly Report period. Vocus, an approved software vendor, calculates the Year-To-Date totals by including all entries for each election. It does not differentiate between a Memo entry and a disbursement entry. Because of this reporting procedure, their program uses both the Memo transaction totals as well as the actual disbursement entry totals to automatically calculate the Year-To-Date per Election amounts to be reported. We have discussed at length this issue with Vocus and they are looking into a solution. Unfortunately at this time, the solution to the double posting of year-to-date totals is not available. We will amend all reports that this issue pertains to when the vendor has provided us with a programming correction.

I can be reached at 703-267-1155 should you have any additional questions.

Sincerely,

Mary Rose Adkins
Treasurer
