

This Form 99 is submitted in response to the FEC's May 7, 2008 letter requesting verification of administrative expenses. Please be advised that Ohio's Future PAC's volunteers and staff personnel (salaries and expense reimbursements for whom have been reported) who work on fund-raising, accounting and related activities for the PAC do so out of their homes. Therefore, Ohio's Future PAC does not have administrative expenses for rent or utilities.
