Identification Number: C00044842

Reference: Year-End Report (12/01/05 – 12/31/05)

Dear Ms. Poprik:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedules H5 and L-B of your report discloses a transfer-in of \$26,294.83 from your Levin account for generic campaign activity; however, a Schedule H6 has not been filed to disclose any payments for allocable Federal Election Activity, which is necessary to support such a transfer-in.

Please be advised that transfers for allocated Federal Election Activity must not exceed the Levin share of the allocated disbursements and that these transfers must be made within a 70-day time period: no more than 10 days before and no more than 60 days after payment to the vendor. 11 CFR §300.33(d)(2) In addition, unless your Levin account is reimbursing your federal account for allocable Federal Election Activity, the transfer-in of funds from a Levin account is prohibited by 11 CFR §102.5(a)(1)(i) and §300.30(b)(3). Please clarify the nature of this transfer-in from the Levin account.

The Commission recommends that you immediately transfer the impermissible funds received by your federal account, back to your Levin account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

20060301

-On Schedule H1 of your report, you have checked an incorrect fixed percentage for your allocated federal and non-federal administrative, generic voter drive and exempt activity costs. The fixed percentage for these costs is based on whether a Presidential and/or a Senate candidate appear on the State's ballot. Please amend your report to include a corrected Schedule H1 and note that a change in this ratio may make it necessary to repay your non-federal account for any overpayments that may have been made. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration. 11 CFR §106.7(d)(2) and (3)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1398.
