IDENTIFICATION NUMBER: C00371229

REFERENCE: JULY QUARTERLY REPORT (04/01/2009 - 06/30/2009)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

1. Schedule E of your report discloses several disbursements to nonfederal candidates which are classified as independent expenditures. Please be advised that 11 CFR §100.16 defines an Independent Expenditure as an expenditure for a communication which expressly advocates the election or defeat of a clearly identified federal candidate and which is not made in coordination with any candidate or authorized committee or agent of a candidate. Contributions to nonfederal candidates should be disclosed on a separate Schedule B supporting Line 29 of the Detailed Summary Page. Please amend your report to properly disclose this activity.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1141.
