Dear Mr. Stoetzer:

This letter is in response to your request for additional information, made via telephone on April 16, 2013.

The Committee is aware of the regulations regarding the disclosure of the name, address, employer and occupation of every contributor who contributes more than \$200 aggregate in a calendar year. The Committee fully discloses all contributor names and other information as they are indicated by the contributor.

Every solicitation includes a clear and conspicuous request for the contributor information and informs the contributor of the requirements of federal law to report this information. If the information is not received with the contribution, the contributor is contacted within 30 days either by mail, by telephone or by email to obtain the missing information. All requests clearly ask for the missing information without soliciting further contributions, inform the contributor of the requirements of federal law for reporting this information, and, if the request is by mail, include a pre-addressed return envelope.

The Committee has not received any further contributor information related to reports filed during the 2011/2012 cycle. The Committee continues to contact contributors for this missing information and will amend reports if and when any information is received.

Sincerely,

Dan Herren
