RE: Committee ID Number C00034785
Amended August Monthly Report (7/1/11 - 7/31/11), Received 9/16/11

Dear Ms. Broomhead:

This is in response to the above-referenced Request for Additional Information dated December 23, 2011, the Amended August Monthly Report (7/1/11 - 7/31/11 reporting period), received 9/16/11:

Item 1 - Beginning cash balance discrepancy

Our August 20 monthly report does not correctly reflect the ending balance of our June 20 monthly report. ACPAC is in the process of reviewing its PAC records and were in the process of reviewing records at the time we filed the August 20 monthly report. ACPAC still is reviewing this information and is correcting those discrepancies.

Item 2 - Refunds of Contributions to Individuals/Persons Other Than Political Committees

This line item comprised two contribution refunds erroneously reported as negative receipts. The committee has amended this line item to be correctly reflected on a separate Schedule B, supporting Line 28(a) of the Detailed Summary Page.

Thank you.

Sincerely,

Adam Peterman
Treasurer
