The Committee is in receipt of a Request for Additional Information (RAI) dated Sept. 16, 2021, regarding a contribution from Growth Energy PAC disclosed on the Committee's Mid-Year Report, which did not appear as a disbursement on Growth Energy PAC's report for the period. The Committee did, in fact, receive the contribution. A representative of Growth Energy PAC has indicated that it will file an amended report to disclose the contribution. A data entry error at Growth Energy PAC listing a terminated committee with a similar name as the recipient caused the error on their report.
