Our committees procedures are in compliance with the best efforts and donor identification provisions cited in your letter. As an initial matter, all committee solicitations request the donors first name, middle initial, and last name; notify the donor that the Committee is required to report occupation and employer information; and request that the donor provide such information. For those donors who choose not to provide the occupation and employer information, the Committee, within thirty days of receiving the contribution, sends the required follow-up letter, which asks the donor again to provide the information, and again advises the donor of the Committees obligation to report the information. Finally, all such information received, including the contributors address, is reported. Any additional information received subsequent to the filing of the original report will be included on amendments to be filed by the Committee. All unacceptable employer and occupation entries contained in the original report have been corrected in this amendment. It is our understanding that when itemizing reimbursements to individuals the regulations do not require that a committee include memo entries with the specifics of the original vendor. Hence, for these reimbursements we have provided purposes that have been deemed acceptable by the commission. The petty cash disbursements were for office furniture and event change. No further itemization is required.
