Ms. Sarah Juris
Campaign Finance Analyst
Reports Analysis Division
Federal Election Commission
999 E Street, NW
Washington, DC 20463

IDENTIFICATION NUMBER: C00518282

REFERENCE: JULY QUARTERLY REPORT (04/01/2013 06/30/2013)

Dear Ms. Juris:

This statement is in response to the Commissions letter dated December 5, 2013. The Commission requested additional information on 4 items

1. The Commission requested clarification regarding the aggregate total for contributions received from Mr. S. Craig Lindner. Mr. Linders contribution in the period covered by this report was refunded in the period covered by this report please see transaction ID: SB28A.29. The aggregate total reported from Mr. Lindner in transaction ID: SA11.4358741 is correct.
2. The Commission requested clarification regarding information disclosed on Schedule A that appears to deflate our cash on hand. These entries are voided contributions and are intended to be live entries. Dollar values of these entries should be and are included in the total amount for this schedule and all cash amounts are correct as reported.
3. The Commission requested clarification regarding chargebacks of contributions received from SER GUN. Contributions received from SER GUN were actually un-itemized receipts from several sources, and the corresponding chargebacks should have been un-itemized as well. Our Committee has amended our report to un-itemize these chargebacks.
4. Piryx, Inc. is a credit card processor that was utilized by our committee. During the period covered by this report, they charged back our Committee \$44,551.14 for which it was unable to supply donor identification. The committee made numerous attempts to obtain the donor information from Piryx, and Piryx informed us that it was unable to provide the donor names and amounts (or any other information regarding this debited amount). Before filing this report, our Committee contacted the Commission to inquire about the best way to disclose these transactions. The Commissions instructions were to report these charges on Schedule B supporting Line 29 with the disclosed purpose and additional text.

We believe that this response and the accompanying amendment will answer the Commissions inquiry.

Sincerely,

Keith A. Davis
Treasurer
