**Response Due Date:

Identification Number: C00368613

Reference: April Quarterly Report (1/1/07-3/31/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 6 items:

1. Schedule A supporting Line 15 of your report discloses a payment(s) from a federal candidate committee(s) for goods and/or services provided by your committee. 11 CFR §100.52(d)(1) states that "...the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution." Examples of goods and services include equipment, supplies, personnel, membership lists and mailing lists. The term "usual and normal charge" for goods is defined as "...the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution". The usual and normal charge for services is defined as "...the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered." 11 CFR §100.52(d)(2)

Please clarify whether your committee assessed the usual and normal charge for the goods and/or services you provided to the federal candidate committee(s) and explain the steps your committee took in determining the amount(s) charged. If your committee provided the goods and/or services at less than the usual and normal charge, the difference between the two is considered to be an in-kind contribution by your committee to the federal candidate committee(s) and is subject to the limits set forth at 2 U.S.C. §441a. (11 CFR §100.52(d)(1))

2. Schedule A supporting Line 15 of the Detailed Summary Page discloses a refund(s) or rebate(s) of what appears to be a previously disclosed allocable expense(s) from "SV Center LLC." Please be advised that when a committee receives a refund or rebate of an allocable expense, it must be allocated between the federal and non-federal accounts according to the same allocation ratio used to allocate the original disbursement. Furthermore, the federal account must transfer the non-federal portion to the non-federal account and disclose this transfer-out on Schedule H4. Your report does not appear to disclose a transfer-out of the non-federal portion of this refund(s) or rebate(s). Please provide clarification regarding this apparent omission.

3. Schedule H4 discloses an expenditure(s) for "A/V." Please be advised that public communications (as defined by 11 CFR §100.26) and voter drive activity (under 11 CFR §106.6(b)(2)(i)) containing express advocacy as defined under 11 CFR §100.22, would constitute an in-kind contribution or an independent expenditure and should be properly disclosed on a Schedule B or E supporting Line 23 or 24 as appropriate. Public communications and voter drive activity that refer to a clearly identified Federal candidate, but that do not expressly advocate the election or defeat of that candidate should be reported on Schedule B for Line 21(b) of the Detailed Summary Page.

Furthermore, the costs for public communications and voter drive activity that refer to one or more clearly identified Federal candidates must be paid for with 100% federal funds. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for public communications and voter drive activity referencing a clearly identified Federal candidate is not permissible and must be returned. 11 CFR §106.6(f)

Please clarify this activity and amend your report, if necessary, to properly disclose this activity. In addition, please inform the Commission of any corrective action immediately. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

4. On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to include the purpose for the payment made to "Lunds." Note that the activity or event identifier is not considered an adequate description of purpose. Please amend your report to include this missing information.

5. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "Contract Services/Day Worker," "Contract Services/Day Workers" and "Contract Work/Day Worker." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

6. Please clarify all expenditures made for "Consultant Fees/Fundraising," "Fundraising Consultant Fees" and "Rental Fees" on Schedule(s) H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B or E supporting Lines 23 or 24 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.
