RE: April Quarterly Report (1/1/2006-3/31/2006)
Response Due Date: April 6, 2007

Dear Ms. Needles:

This letter is in response to your request for additional information related to the cash balance on the April Quarterly Report filed by the American Home Furnishings Alliance PAC (AHFA PAC).

The cash balance discrepancy may be due to an error on the part of the individual preparing the committee's reports. This person may have used a different FEC File database for each report and inadvertently used an incorrect opening cash balance for the report in question. AHFA PAC has, however, recently retained the services of a campaign finance compliance firm to determine the precise cause of the discrepancy and assist with future filings. As soon as the review is complete, which we expect to occur shortly, we will file an additional response to your request and any amendments that may be necessary.

If you have any additional questions, please do not hesitate to contact the committee.

Sincerely,

Russ Batson, Treasurer
