All donors with addresses outside of the country are US citizens. This organization is operated by staff (independent contractors) from their homes therefore no office space is rented or utilities required. Telephone and internet services, office equipment, supplies and salaries are the main administrative expenses incurred by this organization. A majority of our work is done through travel and events and over the internet. All expenses have been adequately disclosed. In response to the letter dated 2/25/15: The first amendment to this report contained an additional \$11,932.00 in donations compared to the original report and was filed on 12/20/13. These donations were from 3 deposits of checks that did not appear in the original search for October 2013 donations in our process of assembling our report. This error was caught while working on the following month's report and the amendment was made with the additional donations during the month immediately following the original report. This activity was reported as soon as it was discovered that it had not been included in the original report. The amendment referred to in this notice was filed on 1/31/15 and was filed due to making a different correction.
