Some earmarked contributions received at the end of this reporting period were disbursed the first week of the following reporting period. therefore, those earmarked receipts are reported on this report, while the disbursements will appear on the next report. This report includes several instances where conduit contributors provided only partial employer and/or occupation information. Please note that most of these conduit contributors are below the 'in excess of \$200' threshold requiring reporting of occupation and employer information for conduit contributors. See 11 CFR 110.6(c)(1)(iv)(A). Our policy is to send a follow-up communication to all contributors in excess of the \$200 threshold. Earmarked contributions over \$2700 are allocated as appropriate between respective Primary and General elections by the candidates.
