RE: Amended monthly reports; February, March, April and May

Dear Maureen,

The Illinois Republican Party has amended the February, March, April and May monthly reports to reflect debt due to unpaid bills that were inadvertently omitted from the originally filed reports.

In order to account for the unpaid bills that were not previously reported, the delay was necessary to work with vendors to avoid future disputes, and to fully inform the FEC accurately, thus avoiding future amendments. Each of the debts listed represent any unpaid bills the Illinois Republican Party has on its books and payments toward these debts will be listed according to FEC guidelines in future reports.
