

A-G79 @ B9CI G'H9LH'fl 97 : cfa ' - - Ł

This Form 99 is in response to a RFAD dated March 6th, 2012. Per my discussion with Nicole Miller - RAD Analyst - on March 9th, no additional information was actually needed as the letter was later deemed unnecessary. This submission is to verify that is the case, and to serve as documentation accordingly.
