Reference: October Quarterly Report (9/1/94-9/30/94)

Dear Ms. Stevenson:

On November 30, 1994 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your December 8, 1994 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You indicated that your 9/12/94 contribution of \$3,000 to the Hatch Election Committee was for the Primary Election. Please note, Utah's Primary Election was held on 6/28/94. A candidate may only accept contributions after an election in order to retire debts. Although the Hatch Election Committee reported debts following the Primary, Commission records indicate the campaign had sufficient funds to repay those debts. Therefore the Hatch Election Committee is ineligible to receive contributions for debt retirement purposes. Please amend your report by clarifying the election designation of this contribution.

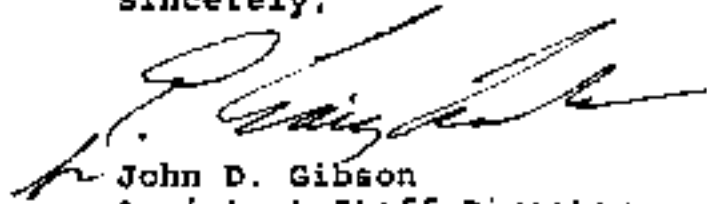

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
