RE: Response to Commission's review : Additional receipts totaling \$11,313 were not disclosed on the original filing because of a payroll reporting error. Employees who had left the company or had discontinued their PAC contributions were not included on the payroll report used to file the original report. It was an error and has since been fixed. We have also made corrections to the Federal contributions and they should be reflected on the correct line of the Detailed Summary Page. I apologize for the trouble. We will continue to cooperate in any way necessary to correct our reports. We also have complete documentation and bank statements available for all of our receipts and disbursements if necessary. Thank you!
