Identification Number: C00139741

Reference: Amended July Quarterly Report (4/01/06-6/30/06), received 7/16/06

Dear Mr. Santora:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your amended report discloses additional receipts totaling \$13,000 on Line(s) 13 of the Detailed Summary Page that were not disclosed on your original report. Please provide clarifying information as to why this activity was not disclosed on your original report. 11 CFR §104.3

-Pursuant to 11 CFR §110.6(c), all earmarked contributions, that have passed through a conduit's account, must be itemized on the receipt (Schedule A) and disbursement (Schedule B) schedules, regardless of the amount. Please identify the original contributors for the earmarked contributions disclosed on Schedule B.

-Your report discloses a loan from a lending institution; however, you have not submitted Schedule C-1 and a loan agreement. As an electronic filer, you must submit the Schedule C-1 electronically without the original signature from the lending institution. In addition, you must mail a copy of the loan agreement and a separate copy of the Schedule C-1 that contains the original signature from the lending institution. Please submit the missing documents. (11 CFR §§104.3(d)(2) and 104.18(h))

-Your report does not include a Schedule H1 to disclose the ratio for the allocation of certain costs. For State, District and Local party committees,

26039163259

Schedule H1 must be filed in the first report each calendar year that discloses an allocable disbursement and for Separate Segregated Funds and Non-connected committees, in each report that discloses an allocable disbursement for administrative expenses, generic voter drives or public communications that refer to any political party, but do not refer to any clearly identified candidates.

Further, for State, District and Local party committees, all shared administrative, generic voter drive and exempt activity costs incurred during the two-year cycle must be allocated according to the appropriate fixed ratio, unless the federal account elects to pay a higher percentage of its cost. For Separate Segregated Funds and Non-connected committees, administrative expenses, generic voter drive costs and expenses related to public communications referencing any political party committee (but no clearly identified candidates) must be allocated according to a 50% flat minimum federal percentage unless the federal account elects to pay a higher cost. 11 CFR §106.7(d)(2), (d)(3) and 11 CFR §§104.10(b)(1) and 106.6(c)

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "consultant" and "consultants." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule H4 of your report discloses \$4,166 in consultant payments to individuals. Please clarify whether these individuals are employees of your committee. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used. Any reimbursement from your committee's non-federal or Levin account for salary and wage payments is not permissible and must be returned. Please provide clarification regarding these payments.

-Schedule H4 discloses an expenditure(s) for "direct mail consultant." Please be advised that public communications (as defined by 11 CFR §100.26) and voter drive activity (under 11 CFR §106.6(b)(2)(i)) containing express advocacy as defined under 11 CFR §100.22, would constitute an in-kind contribution or an independent expenditure and should be properly disclosed on a Schedule B or E supporting Line 23 or 24 as appropriate. Public communications and voter drive activity that refer to a clearly identified Federal candidate, but that do not expressly advocate the

election or defeat of that candidate should be reported on Schedule B for Line 21(b) of the Detailed Summary Page.

Furthermore, the costs for public communications and voter drive activity that refer to one or more clearly identified Federal candidates must be paid for with 100% federal funds. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for public communications and voter drive activity referencing a clearly identified Federal candidate is not permissible and must be returned. 11 CFR §106.6(f)

Please clarify this activity and amend your report, if necessary, to properly disclose this activity. In addition, please inform the Commission of any corrective action immediately. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
