Reference: Amendment of all 2008 Monthly Reports

The Massachusetts Republican State Congressional Committee is in the process of amending all 2008 Reports due to a 2008 disbursement that was mistakenly entered into 2007 records. (Please refer to our response to the Request for Additional Information which references the 2007 November Monthly Report (10/01/07 - 10/31/07)).

This has since been corrected but as a result, the Cash on Hand figures on all subsequent reports are affected and so we are amending them all to reflect the correction.

Please contact Lyndsay Jones at 617-523-5005 x234 with any further questions.
