Dear Mr. Lantz:

On September 14, 1994 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 3, 1994 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Column B figures should be cumulative for a single calendar year. Please amend the Column B totals of your report to reflect 1993 activity only. For the first report in a calendar year, Column A and Column B figures should be equal on the Summary and Detailed Summary Pages.

-The beginning cash balance of this report should equal the ending balance of your 1992 Year End Report (12/1/92-12/31/92). Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction. Be advised that the figures on Lines 6(a) and 6(b) should be equal for the first report in a calendar year.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Stephen Cohen on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,

A handwritten signature in cursive script that reads "John D. Gibson". The signature is written in black ink and is positioned above the typed name.
