RE: Michigan Credit Union League Legislative Action Fund (C00139279) Request for
For Additional Information for 2001 Mid-Year Report.

Dear Ms. Manning:

Attached is an amended report for the above referenced period along with the following
information pertaining to our Mid-Year Report.

Regarding your questions concerning disbursements on line 21(b):

The disbursements made to "Dow Chemical ECU", "Ottawa County School ECU", "CPFCU", and "Frankenmuth Credit Union" were not refunds of contributions to the Michigan Credit Union League Legislative Action Fund (the "Fund"). The recipients of these disbursements are credit union members of the Michigan Credit Union League (the "League"), the Fund's connected organization. The regulations of the Federal Election Commission (the "Commission") permit an incorporated membership organization, such as the League, to use general treasury funds of the League, including dues monies or membership fees, to pay solicitation expenses on behalf of the Fund (11 CFR §114.5(b)). The Commission also indicates that corporate members of an incorporated trade association, who meet the definition of "members" under the Federal Election Campaign Act and regulations, may contribute funds or merchandise to defray administrative and solicitation expenses of the trade association's separate segregated fund (Advisory Opinion 1989-18). For example, in Advisory Opinion 1982-36, the Commission permitted a trade association to encourage its corporate members to make in-kind donations of corporate merchandise which would then be used by the trade association PAC for fundraising purposes. Accordingly, since the credit union members of the League meet the Commission's requirements as "members" of the League, the League and credit union members of the League may purchase or donate fundraising items as a solicitation expense to be sold to benefit the Fund. what happened here. While payments associated with the Fund's fundraising activities made by the League and the credit union members of the League are not reported to the Commission (see, for example, Page 7 of the Campaign Guide for Corporations and Labor Organizations), if the Fund reimburses the League, or a credit union member of the League, in connection with such fundraising activities, then, according to the Commission, this reimbursement is reported as an "operating expenditure" of the Fund on Line 21(b) (see page 39 of the Campaign Guide for Corporations and Labor Organizations). Accordingly, because of the nature of these disbursements, these disbursements are appropriately reported as operating expenditures of the Fund on Line 21(b).

In reference to excess contributions, we note that the disbursement made on March 30, 2001 was not specifically designated to the 2000 election cycle. The contribution was made after the 2000 election cycle and is to be credited to the next election cycle. We therefore believe that this contribution was not excessive.

We have amended our report to reflect activity that should be included on line 29. Also please note the attached letter addressed to the Michigan Republican Senate Committee (MRSC). The MRSC is a state and federal fund and when we made our contribution we asked it to be deposited to their federal account. We have asked them to correct their records.

If you need any additional information please contact me.

Sincerely,

Heidi Kubinski
Assistant Treasurer

Reference: Mid-Year Report (1/1/01-6/30/01)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 21(b) discloses refunds made to "Dow Chemical ECU", "Ottawa County School ECU", "CPFCU", and "Frankenmuth Credit Union"; however, it appears that the receipts for these contributions have not been reported by your committee. Please provide the original date of the receipts of the contributions. In addition, you must amend the report covering the period during which the contributions were received to disclose the receipt on Schedule A supporting the appropriate line of the Detailed Summary Page. 11 CFR §103.3(b)(1)

-Please amend your report by providing the full address and purpose for each disbursement itemized on Schedule B supporting Line(s) 21(b).

-Records at the Commission indicate that your committee and your affiliates may have made contributions which exceed the limits set forth in the Act (pertinent portions attached). 2 U.S.C. §441a(a) prohibits multicandidate committees and their affiliates from making contributions to a candidate for federal office which, when combined, exceed \$5,000 per election.

If any apparently excessive contribution in question was incompletely or

MICHIGAN CREDIT UNION LEAGUE LEGISLATIVE ACTION FUND
PAGE 2

incorrectly disclosed, you should amend your original report with clarifying information.

If you have made an excessive contribution, you must request a refund of the excessive amount or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund.

If your committee is not an affiliated committee, then your committee must demonstrate its independence from party committees within its state, by petitioning the Commission in the form of an Advisory Opinion to determine if it satisfies the criteria of independence described in 11 CFR §110.3(b).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). Refunds are reported on Line 16 of the Detailed Summary Page and on Schedule A of the report covering the period during which they are received. Redesignations are reported as memo entries on Schedule B of the report covering the period during which the redesignation is made. 11 CFR §110.2(b)

Although the Commission may take further legal action concerning the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Other disbursements (for example, contributions to a non-federal account/committee) should be properly disclosed on a separate Schedule B, supporting Line 29 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments in an electronic format and must submit an amended report in its entirety, rather than just those portions of the

report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Dear Ms. Tow:

Please be advised that the contribution in the amount of \$5,000.00 dated May 4, 2001 (check #1039) made by the Michigan Credit Union League Legislative Action Fund (MCULLAF) was incorrectly designated to the MRSC State Account. This contribution should be designated for the MRSC Federal Account. Please revise your records accordingly.

For your information, MCULLAF is a federally registered, multi-candidate committee.

If you have any questions regarding this contribution, please feel free to contact me. I can be reached at 800/262-6285, ext. 280.
